Dear Sir:

The Examiner offers reasons why claims 1-27 are allowable over the prior art of record. Although Applicant agrees that the various claimed limitations mentioned in claims 1-27 are not taught or suggested by the prior art taken either singly or in combination, Applicant wishes to emphasize that it is the language of each claim, including the interrelationships and interconnections between various claimed elements which is allowable over the prior art of

record, and not the Examiner's paraphrasing or explanation of claim features which are not be present in any of claims 1-27.

Respectfully submitted,

HARNESS, DICKY & PIERCE, PLC
